

EICA Conflict of Interest Agreement

WHEREAS, Electrical Industry Certifications Association (EICA) wishes to protect its impartiality, as defined below, against any conflict of interest that may arise.

NOW THEREFORE, in consideration of the mutual covenants contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged, EICA and signee agree as follows:

- A. As used throughout this Agreement, the acronym "EICA" means the Electrical Industry Certifications Association.
- B. This conflict of interest policy shall apply to all EICA activities, whether this is at the Board, Committee, Employee, Examiner, Proctor, or Volunteer level when representing EICA.
- C. I will not engage in, cause, or allow to occur any actions that may result in partiality or bias from direct or unintended conflict of interest.
- D. I will disqualify myself from all discussions and considerations on any subject where I could have a possible conflict of interest.
- E. I am immediately required to disclose to EICA any and all potential conflicts of interest that could be considered to cause partiality.

IN WITNESS WHEREOF, the parties acknowledge their agreement to the foregoing as of the date first set forth above by execution of the Agreement by their respective authorized representatives.
